Continuation of Substance of Interview including description of the general nature of what was agreed to if an agreement was reached, or any other comments: The examiner explained that the RCE filed 6/14/07 was improper because the final rejection had not gone out yet, thus prosecution was not closed (MPEP 706.07 (h) A 1). The applicant did not initially receive a Notice of Improper RCE, so the examiner had one prepared and faxed. The first Final Rejection was written 6/4/07 but not mailed until 7/12/07 due to the arrival of the RCE. The first final was improper because it did not consider the amendment with the RCE, so a second replacement action is underway. The applicant agreed to wait for the second replacement action.
